Subject: language for update please fill in yellow areas

Below is the language that we have in the Update. Please update the areas that are highlighted in yellow and send update to the R6Harvey SITL and to Matt.

Thank you.

Joint EPA and TCEQ field observation teams continue to observe debris staging and landfill operations within **XXX (names) counties** in Texas to ensure best practices and program requirements are being met. EPA observers visited **XX sites**, with TCEQ, on September **XX**, 2017. FEMA reported that 146 debris sites have been approved. Currently, FEMA estimates debris to total 17.7 million cubic yards. A federal Debris Management Taskforce has been established at the Joint Field Office (JFO) in Austin and EPA is a member of the Taskforce.
